### PROFILE

I am a passionate software developer adept at identifying and resolving bugs with wizard-like precision. I like keeping up with the latest tech stuff in IT. I've learned a lot from different jobs, and now I want a chance to use my skills in a friendly and forward-thinking place. I am seeking an opportunity to contribute my knowledge and proficiency to an organization that values innovation and excellence in software development.

### EDUCATION

#### Institute of Management Studies (IMS)

#### Bachelor of Computer Applications (BCA)

August 2019 – August 2022 | Noida
